## Co-curricular Activities

Spring Term 2021

## IMPORTANT INFORMATION REGARDING BOOKING AFTER SCHOOL CARE

Please read this information in conjunction with booking clubs and activities as we have had to make changes to ASC in accordance to Government guidelines. From September 2020, children will only be allowed to stay in ASC if they have been booked in. This is due to our need to separate or distance year groups from each other, provide staffing to meet recommended ratios, particularly in EYFS, and accommodate children in different locations. Unfortunately, we are unable to take on-the-day bookings and if ASC numbers are at capacity, we ask parents to make arrangements to collect children promptly at the end of the school day and/or from co-curricular activities when they finish. Children who have been in school but do not turn up to a pre-booked space in ASC will still be charged.

**ASC booking will open at 6.00pm on Wednesday 16 December**

## IMPORTANT ACTIVITIES INFORMATION

Within this booklet, you will find information which details the Spring Term's co-curricular activities for all pupils. Do please read the information carefully so that you are able to make the correct choices for your child.

You will notice that some clubs run before school and some after school. At the moment, we continue to be unable to run clubs at lunchtime as the spaces are restricted by the protective measures in place and staff are undertaking additional duties. However, we have made every endeavour to offer a full range of clubs and activities whilst following Government guidelines to keep children separated into their year groups. As children progress through the school year and indeed through the school, the range of activities expands and changes.

You can apply for places by signing up to the Virtual Activities Environment. This can be accessed by visiting the 'Co-Curriculum' page of the school website, [www.warwickprep.com](http://www.warwickprep.com). Please click on the link on the page [www.warwickprep.com/thistermsactivities](http://www.warwickprep.com/thistermsactivities). You will already have log-in credentials for your child/ren. If you are unable to remember your login details, you can reset these on the front page of the VAE (<http://mychq.net/warwickprep>). There is no need to contact the school office to reset your details.

The booking page will open for sign-up on **Friday 20 November at 6.00pm and will close on Wednesday 25 November at 10.00am.** Unfortunately, we **cannot accept any activity requests after this deadline** so please do book in during this sign-up period.

If you select two simultaneous activities through the Virtual Activities Environment, we will automatically allocate a place in the club with the higher preference number, unless of course the club is oversubscribed.

**Reception:** Reception children will be permitted to attend no more than 2 out of the 3 activities per week.

Attendance at some of the clubs is by invitation; this will be indicated by a green tick next to your child's name, However, those that are open to sign up will show in the VAE accordingly. If your child wishes to withdraw from an invited activity, **you cannot do this at the time of requesting activities**, please contact Mrs Crafts directly on ([a.crafts@warwickprep.com](mailto:a.crafts@warwickprep.com)) to withdraw.

The cost of all activities will be added to your end of Spring Term fee account; no payment should be sent to school. **By requesting a place, you are committing to payment should a place be allocated.**

For an additional £3.90, children can be booked into After School Care at the end of an activity; this includes a light tea. Parents who require before **and** after club care will only be charged £3.90 once (inclusive of tea). ASC bookings should be made through the VAE.

When girls are involved in planned educational visits or we are aware in advance of dates when clubs or activities cannot run (for example if the Main Hall is in use for another event), no charge will be made to parents. However, we are unable to reimburse parents if their daughter is chosen to represent the school in a fixture and the match clashes with a paid activity or an event that does not involve the whole year group.

Activities will be confirmed via an email generated by the VAE as normal.

All activities will commence from Monday 11 January and the last week for most activities will be the week commencing Monday 22 March. There are a few exceptions though and these will be clearly listed on the electronic calendars when these are published. Once activity places are confirmed, you may also log into the VAE where all session dates / cancellations for your child's activities will be listed.

Music Co-Curricular clubs will all be dismissed from the Music School main entrance. If you need to drop-off or collect an instrument, please arrange a time with your child's music teacher as parents will not be allowed into the building unaccompanied.

*Parents should note that whilst we endeavour to provide some consistency to the type of activities we offer, we do not guarantee to run any club indefinitely or as part of a wider course. Similarly, we may need to change the day on which an activity or club is offered from term to term, in order to ensure a good spread of activities for pupils or for provider convenience.*
