Co-Curricular Activities – how to book your child’s termly activities (*Reception upwards*)

You will be asked to select activity choices termly and will have a window of opportunity to sign-up and a deadline to submit them by

On the home page you will soon see a tab **‘My Activities - 2020-2021 Autumn Term’** (this name will change depending on term/year). Please click on **‘view/manage /submit activity choices’**. The activities available to your child will be listed here. You will not be shown any activities that are not relevant to your child’s age group.

Further information about each activity is available by clicking on the ‘i’. Please do refer to the activity booklet for a more detailed description.

Welcome to Warwick Prep School's Virtual Activities Environment!

Please select your child's activity choices for the Spring Term below. Choices need to be marked in order of preference across the week, 1 being the favourite (continuing with 2, 3, 4 etc). These preferences should be typed into the 'requested' boxes that appear below.

An asterisk indicates that your child has automatically been offered a place in an activity. Should your child wish to withdraw from any activities that have been marked with an asterisk, you cannot do this online, please contact Mrs Crafts in the school office on a.crafts@warwickprep.com.

If you change your mind on an activity before the deadline, you can remove any choices by replacing your preference number with a '0' and then resubmitting your choices.

The deadline for selecting choices is **Wednesday 6 December 10.00am**. Unfortunately, **we cannot accept any requests after this date** as the administrative process is significant and will commence with immediate effect.

Please refer to the Activity Booklet for your child's year group - these are available for download from the Co-Curriculum page of the school website <http://www.warwickprep.com/thistermsactivities> but will have also been attached to the email you should have received. These will provide much more detail about each activity as well as specific information such as collection points, staffing, costs, eligibility criteria (where appropriate) etc.

If you have any queries please contact me directly (deputy@warwickprep.com) or, before the end of term, my colleague, Mrs Anne-Marie Crafts who works in the school office (a.crafts@warwickprep.com)

Thank you

To select activities for your child, you should enter **numerical values** into the '**requested**' box, 1 being first choice, 2 being second choice, then 3, 4, 5 etc. across the week, not by day. You **cannot** enter the same number in more than one box, the system will not allow it!
We will always try to give every child their first choice activity, so by listing clubs in order of preference, this seems to be the fairest way to allocate places.

Any activities that your child has been pre-selected to participate in by a member of staff will already be selected with an asterisk – **you cannot amend these**. If your child no longer wishes to participate in this activity, please contact Mrs Crafts in the School Office **before the deadline**.
(a.crafts@warwickprep.com)

Once you have indicated the order in which you wish your child to be considered for activities, click on the red '**save**' button on the left hand side of the screen. The next view will show a similar screen with the word 'submit'.

To send your choices through to the activities administrator, please click on '**submit**' once more in the box that should have appeared.

Co-Curricular Activities - chargeable activities

If there is a charge for an activity, you will see this message appear at the top of the screen once you have numbered the activity.

Once you save and submit choices following the steps above, you will see the following statement appear.

You will need to type the phrase:

I agree to the cost

exactly as it appears on screen, into the box provided, before clicking on submit. **The system will not let you proceed without accepting this.**

Should you wish to make a change to any of your choices before the deadline, replace the numbered activities with a **0** and save it. This will wipe your choices and allow you to select your preferences again.

By clicking on the link to take you back to the profile page, you will see your choices listed. Once the allocation process has taken place these will be shown as **'approved'** or in some cases **'declined'**.

Submit

You have activity preferences which have not yet been submitted for approval. If you are ready to do so, you may submit your preferences using the button below.

Please note that you have chosen one or more activities that incur a cost. If you are allocated a place you will be charged for them.
Please enter the following word/phrase into the box below to indicate your acceptance of any charges: **I agree to the cost**

Pupil Availability - confirming attendance at an event / trip / fixture

We are fast-moving towards a paper-free environment and use the VAE on a regular basis to communicate various information to and obtain responses from parents.

The email pictured is a common format in which we would send a request to you as parents.

We would request confirmation of your child's attendance at an educational visit, a sports fixture, a concert and a variety of other events. Where necessary we would attach to each email, further information about the event for you to download, read and keep. If you cannot click on the links in the email you can log-in to the VAE as detailed at the beginning of this booklet and follow these steps:

From your home page, click on the **'My Profile'** tab and expand the **'Future Availability'** box. You will see a list of any events you have already responded to. A **'Y'** indicates a Yes response and a dash **'-'** indicates a No response. Click on **'Manage availability'** and in the list **'Fixtures pupil has yet to decide'** you can update your child's availability at various events by clicking on the correct arrow to move the event to **'pupil will attend'** or **'pupil cannot attend'**.

DEADLINE TO RESPOND: 10.00am on Wednesday 20 April (this week!)

Dear Parents,

Following on from the earlier email you should have received, please confirm if you wish your daughter, Jessica, to be entered into the ballot draw to participate in the Middle School 'Junior Olympics' Athletics event at Malvern St James Girls School, on Wednesday 8 June 2016.

Please note that by clicking 'yes' **does not** guarantee your daughter, Jessica, a place in the event but it will enter her into the ballot draw which will be held on Wednesday afternoon, hence why all responses **must** be made by **10.00am on Wednesday**.

To provide consent, please click on the link below:

<p>YES</p> <p>My daughter WOULD like to be entered into the ballot draw to participate in the Middle School 'Junior Olympics' Athletics event on Wednesday 8 June.
