Policyholders

Policyholders receive cover benefits by virtue of the group policy issued to the group policyholder. Only the group policyholder has direct rights against the insurer. The benefits received by the policyholders do not give them direct rights under this group policy of insurance but enable them to receive the benefits described below. Policyholders must notify us of any incident that they feel could give rise to a claim under these terms and conditions. Strict compliance with these terms and conditions is required if the policyholders are to receive their benefits.
