

Warwick Preparatory School

BRITISH
SCIENCE
WEEK

FRIDAY 5th MARCH

Assembly

Science Week launch assembly

KHS Café Scientifique will introduce Science Week to the Prep, explaining the theme of Innovating for the future and smashing stereotypes. They will also introduce the Prep Science Week Challenge.

Whole school

ALL WEEK

At home or in Science lessons

Chocolate Melting Challenge

Design and carry out an investigation into the time taken to melt white, milk and dark chocolate. Don't forget it must be a fair test and you may need to repeat to check your data!

Send your findings (including method, data, graph and conclusion) to Mrs Charl.

Years 3- 6

ALL WEEK

Science lessons

All our science lessons this week will have a fun Science Week theme!

Whole school

ONGOING - DEADLINE 30/04/21

British Science Week Poster Competition

National poster competition on the theme "Innovating for the Future."

Key rules:

- Entrants can be teams or individuals
 - teams will be judged in the age category of its oldest member
 - any prize awarded will be split across the team
- Each school/youth group can enter a maximum of five entries so entries should be sent to Mrs Charl, who will select the best five to enter the competition
- Entries must be one page of A4 or A3 paper only and you will need to take a photo or scan of it to send electronically
- Work must be original and created by the student(s) – please do not use any templates.

How will entries be judged?

Posters are judged on the following criteria:

- Creativity in approach – innovative angle on the content or creative interpretation of the theme
- Content – clear, accurate and informative about the STEM topic
- Effective communication – presented and communicated in an engaging way

– see link for details.
