Information on how to sell uniform through the Uniform Shop is located on the school website.

Uniform Regulations

Compulsory uniform items are expected to be worn as part of our school's requirements. This includes outer garments such as a school coat and blazer. The navy blazer is a transitional item that can cross over from Pre-Prep (unisex style) into Prep, and from Prep (tailored style) into King's High. The blazer is a year-round requirement that should be worn every day.

In the Prep department, pupils are expected to wear a revere neck blouse; please do not purchase a closed-neck collar blouse. These can be purchased directly from Stevensons or from [John Lewis](#) or [Marks and Spencer](#), if preferred.

Trouser Uniform

Should your child wish to wear the summer or winter trouser uniform, shorts must be smart, tailored and dark grey or charcoal. Cargo shorts will not be permitted. Please visit the link below for recommended shorts.

Shorts: [John Lewis](#)

Trousers must be purchased directly from Stevensons to ensure consistency. Other designs or shades of grey will not be permitted.

Hats and Caps

Hats are not required for Prep pupils although, in winter, it is the expectation that the crested, navy school beanie is worn, if required. Earmuffs are not a replacement for hats, although plain navy earmuffs can be worn with a beanie for extra warmth in the winter.

Hair and Jewellery

Hair that is shoulder length or longer must be tied back with plain hair accessories. Pupils are not permitted to wear jewellery of any description; pupils with newly pierced ears will not be allowed to return to school wearing earrings. Watches may be worn from Year 3 – Year 6; these may be analogue or digital. Smart watches, that are also communication or recording devices, are not permitted. Make-up and nail varnish is forbidden.

Footwear

All pupils are expected to wear plain, black shoes for school; patent or leather is acceptable. These may be lace-up, Velcro or buckle-up designs, with a closed toe and low heel. Slip-on shoes are not permitted for safety reasons. Non-slip soles are recommended. Pupils may not wear shoes with flashing lights or hidden compartments for toys.

It is an expectation that pupils do not wear trainers (which should be predominantly white) unless they are wearing their PE kit.

Summer and Winter Uniform

Summer uniform is usually worn from the beginning of the summer term (April), although is optional until half term (May), after which it is compulsory. Summer uniform is also optional during the autumn term until the October half term. Winter uniform is compulsory from the autumn half term (November) through until after the Easter break (April).

Sportswear

Please be reminded, the new Stevensons sportswear becomes compulsory from September 2023.

Daywear

Please note, the new daywear becomes compulsory from September 2024.

Lost Property

Please ensure all items of clothing are named, including socks. Lost property can only be returned to the owner if we know to whom it belongs.
