INTRODUCTION AND BACKGROUND

Warwick Prep School (“the school”) is part of Warwick Independent Schools Foundation (“the Foundation”), along with Warwick School and King’s High School (“the Schools”).

The Foundation and its Schools understand their responsibility for the welfare of all their pupils and the paramount importance of this aspect of their work. The Foundation and its Schools are committed to looking after pupils safely throughout the time that they remain under our care.

Every adult who works at the Schools will have been subject to appropriate checks before appointment, will have received Child Protection training before commencing and understands their responsibility for helping to keep all pupils safe at all times. During the Child Protection training, Staff are made aware of children who may be at particular risk of missing education.

Staffing ratios are appropriate to ensure that every pupil is properly supervised the whole time he or she is in our care.

This Policy will be publicised and brought to the attention of all parents including those with children in the Early Years' Foundation Stage.

This Policy will be kept up to date in line with any legislative changes. The School has reviewed this policy in line with the 'Children missing education – Statutory guidance for local authorities – September 2016'. The legislation refers to;

- Section 436A of the Education Act 1996
- Education Act 1996
- Education and Inspections Act 2006
- Education (Pupil Registration) (England) Regulations 2006
- Education (Pupil Registration) (Amendment) (England) Regulations 2016

The policy has also been reviewed in line with ISI regulations – September 2019 and DfE 'School Attendance; guidance for maintained schools, academies, independent schools and local authorities' July 2019.

This Policy should be read in conjunction with the Safeguarding & Child Protection Policy and is linked to the Admissions Policy, Attendance / Registration Policy, Crisis Management Policy, Anti-bullying Policy, Foundation's Safer Recruitment and Serious Untoward Incident Policy. These are also regularly reviewed to ensure they are robust and effective, and may be made available to parents.

This Policy outlines the procedures that will be followed at Warwick Preparatory School in the event of a child going missing and the procedure to be followed in the event of a parent failing to collect a pupil at the appointed time.

Warwick Prep staff will be provided with this policy and be made aware of their responsibilities and the procedures to follow should a pupil go missing or fail to attend school. Children missing education are at significant risk of underachieving, being victims of harm, exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life.

Key Staff identified in this policy are;

- Head – Hellen Dodsworth
- Designated Safeguarding Lead – Deborah Ward
- Designated Safeguarding Deputy - Gill Smeeton
- Foundation Secretary – Simon Jones
- Foundation Head of Health & Safety – Gail Miller
- Head of KHS – Richard Nicolson
- Chair of KHS Committee – Sally Austin

PUPILS NOT COLLECTED FROM SCHOOL ON TIME

If a child is not collected as expected, the child will be safely looked after according to School procedures listed below:

- Under no circumstances will a child be dismissed to an unknown adult or to another adult, without prior consent being given by a parent. Permission to dismiss a pupil to the care of a sibling under sixth form age, must be sought in writing by the parent concerned.
- Children in the Nursery who are not collected at the end of their session, or at their expected collection time, remain in the Nursery to await collection (supervised appropriately). If a Nursery child has not been collected by 3.45pm, he/she will join After School Care.
- Children in Reception, Year 1 and Year 2 who are not collected by 3.45pm are taken to After School Care where they will be supervised by members of the After School Care team.
- If appropriate, a member of staff who is supervising the child will contact the School Office to check that the child's collection arrangements have not been altered.
- Children in Middle and Upper School who are not collected by 4.00pm are taken to After School Care where they will be supervised by members of the After School Care team.
- Normally all children leave the site by 5.45pm, and the After School Care supervisor notifies the member of SLT who is on duty that all children are off site. Children in the Nursery who are not collected by 5.45pm are taken to wait in the Open Area for collection. If a child has not been collected by 5.45pm, he/she will wait to be collected in the Open Area along with the member of SLT who is on duty. From 5.45pm, the school will do everything possible to contact the child's parent or emergency contact, to find out how long a delay there may be before collection.

If a child is not collected within 30 minutes of the agreed collection time, the School will try to contact the parent/guardian using the contact numbers they have given. If there is no answer, the Head or a SLT duty member of staff will begin to call the emergency numbers for the child.

According to ISI guidance, there will always be at least two Foundation Employees on site whilst there is still a child on the school premises.

If there is no response from the parents' or carers' contact numbers or the emergency numbers within three hours or by the time the premises close (19:00), whichever is sooner, the Senior Member of Staff/Head will contact the Social Services Duty Officer. Social Services will make emergency arrangements for the child and will arrange for a visit to be made to the child's house and will check with the Police. Warwickshire MASH Team can be contacted on **01926 414144**. The out of office emergency contact number is **01926 886922**.

The Senior Member of Staff/Head will ensure a full written report is made of the incident and will inform the Chair of the Warwick Prep School Committee and the Foundation Secretary.

PROCEDURES FOR A PROLONGED UNEXPLAINED ABSENCE OF A PUPIL

It is essential that prolonged or unexplained absence is investigated fully by the Head of Prep and Pre Prep to ensure the safety and wellbeing of all children. Attendance, absence and exclusions are closely monitored and reported to the Head on a monthly basis.

Any staff who have concerns about children being drawn into situations relating to radicalisation or other safeguarding issues should inform Designated Safeguarding Lead immediately. The Designated Safeguarding Lead will inform relevant bodies such as the Local Children's Safeguarding Board, Child Missing in Education Officer or the Prevent Team.

If a child is not in school and there is no known reason as to why, the Receptionist should contact the parents/guardians listed on the Management Information System to check whether the child is with them.

If parents are not contactable the Receptionist will then call the third party emergency contact number. The Receptionist will leave a contact message on all numbers called.

Following this the Receptionist will then email/text the child's parents/guardians in an attempt to make contact.

If contact has not been made by 10:30am the Receptionist will then update the Head of Pre-Prep and Head of Prep regarding the absence.

If contact has not been made by 11:00am then the Head of Pre-Prep or Prep will inform the Head who will make her decision on actions to be taken based upon relevant pupil background information and circumstances.

The Receptionist will follow this routine every day that the child is absent.

At WPS, after 3 days with no contact being received by the parents the following actions will be taken:

- The Designated Safeguarding Lead / Deputy Lead and the Head will be informed
- The Designated Safeguarding Lead / Deputy Lead will alert the Local Children's Safeguarding Board / other external agencies and await and act on the advice given. This will be fully documented.

As in line with our WISF Safeguarding & Child Protection Policy 2019, the School will inform the local authority where a pupil fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 days or more as agreed with the local authority. The School will continue to try and establish the pupil's whereabouts but where they cannot, the schools will make an immediate referral to Warwickshire County Council's Access to Education the Children Missing Education (CME) dept. The Children Missing Education Service can be contacted on **01926 736323** or by email to Access to Education officer cme@warwickshire.gov.uk

In line with 'Children Missing Education' Sept 2016, when the whereabouts of a child is unclear or unknown, it is reasonable to expect that the local authority and the school to complete and record one or more of the following actions:

- make contact with the parent, relatives and neighbours using known contact details;
- check local databases within the local authority;
- follow local information sharing arrangements and where possible make enquiries via other local databases and agencies e.g. those of housing providers, school admissions, health services, police, refuge, Youth Justice Services, children's social care, and HMRC;
- check with UK Visas and Immigration (UKVI) and/or the Border Force;
- check with agencies known to be involved with family;
- in the case of children of Service Personnel, check with the Ministry of Defence (MoD) Children's Education Advisory Service (CEAS); and
- home visit(s) made by appropriate team, following local guidance concerning risk assessment and if appropriate make enquiries with neighbour(s) and relatives.
