

Everyone wants, **happiness.**
No one wants, **pain.**
But you cant have a **rainbow,**
without a little **rain.**

'happiness comes in waves, it'll always find you again'

Never look down on someone unless you're helping them up!

Friends are like four-leaf clovers; hard to find but lucky to have,

Don't let yesterday take up too much of today.

there are so many beautiful reasons to be **HAPPY.**

The difference between try and triumph is a little umph!

Friends are like **Stars**

you don't have to see them to know they are there
